

# GOODMAN GAMES OPEN CALL FOR 4E WRITERS

Do you design new rituals for your home D&D games? Are your players always coming up with new ideas? This is your chance to become a published author and get paid in the process!

## GOODMAN GAMES IS LOOKING FOR RITUALS!

This is an open call for 4E game designers who want to contribute to *Book of Rituals*, a hardback compilation that will see print in the fall. This is paid work-for-hire. All accepted submissions become the property of Goodman Games, and contributors receive 3 cents per word, printed credit, and a copy of the published book.

*Book of Rituals* covers heroic level, paragon level, and epic level rituals. It includes rituals for binding, creation, deception, divination, exploration, restoration, scrying, travel, and warding. Submissions should be limited to rituals within the scope of the book.
