

APPENDIX N

In the spirit of the classic bibliography that inspired another famous role playing game, here is the “Appendix N of Metamorphosis Alpha.” Note that creator James M. Ward credits *Starship* by Brian Aldiss as the primary inspiration. The other titles noted here are presented as additional inspiration for the reader, based on suggestions from the artists and writers who have helped expand the universe of Metamorphosis Alpha as presented in this book.

Books

Captive Universe, Harry Harrison
EON, Greg Bear
Mayflies, Kevin O’Donnell Jr.
Non-Stop (or Starship), Brian Aldiss
Orphans of the Sky, Robert Heinlein
Phoenix Without Ashes, Edward Bryant and Harlan Ellison
