# CHARACTER CODEX

Record your rise from apprentice to archmage with this character codex! Extremely useful for characters of any class, this 4E book provides a record of your character that can expand as your character does. It includes plenty of room for all your hero's statistics, equipment, cohorts, and magic items, and even has an adventure journal and a place to design your character's keep!

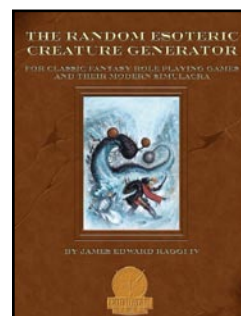

16 pages, \$4.99

**What is... the DCL? Find out this summer from Goodman Games!**

## OLD SCHOOL & EDITION NEUTRAL

These systems-neutral titles can be used with any edition. They include minimal stats, just enough to give an idea of the power level of a monster or NPC.

### The Random Esoteric Creature Generator for Classic Fantasy Role-Playing Games and their Modern Simulacra

Yes, that's really the title. 32 pages of randomized tables for generating monsters like your players have never seen before. Bring terror back to your tabletop!

32 pages, \$12.99

### Points of Light

War horns wail and perilous realms cry for heroes! Four settings, each detailed and mapped, ideal for novices launching their first campaign, or veteran GMs looking to challenge their players with terrible foes and foreign lands.

Points of Light  
48 pages, \$12.99

POL 2: The Sunrise Sea  
64 pages, \$15.99

### GM Gems & PC Pearls

Indispensable tools for GMs and players in search of inspiration! Invest your characters and campaigns with depth, personality, motivations, and drive.
